2017

## Important News:

### Lunch Times:

Dunbar:

11:25-11:50

Coffey-Hanlin:

11:45-12:10

Chapman:

11:25-11:50

**Student Council Food Drive:** We will continue collecting food and household items to donate to students and families that cannot afford the items they need. We will be collecting items through November 30th. Bring items to school and place them in the bins outside the gym.

**Spelling Bee:** Word lists are included in Friday Folders. Our in-class spelling bee will be held on Thursday and Friday, December 14th and 15th. Students will take the written test on Thursday and those who qualify will participate in our oral spelling bee on Friday.

**Backpack Buddies Volunteers:** If you are able, please sign up to contribute to our backpack buddies program. This supports so many kids!

## Important Dates:

November 21—Early Release  
November 28-29—IOWA testing  
November 30—Deadline for Food Drive

December 1—Interim Reports go home  
December 14 and 15—Class Spelling Bee.

Don't forget to wear your tennis shoes on PE days!

Chapman:

**NONE**

Coffey-Hanlin:

**NONE**

## ⇒**Math:**

In math this week, students have explored properties of multiplication and division. They have learned how to use the associative and distributive properties of multiplication.

\*ask your student about their progress in Xtra Math

## ⇒**Literacy :**

In literacy this week, the students have continued to become experts in all things ‘frog’. The students have been reading informational texts to build their expertise. They have practiced using definitions, facts, and details to answer “Why” questions. Ask your child to tell you why glass frogs are so hard to see.

## ⇒**Science:**

The students have continued to learn about the human body with Ms. Dunbar. Ask your child to tell you about the skeletal system.
