**Student Council Food Drive:** Thank you for donating! We were able to donate a lot of food to the Food Bank of Central and Eastern NC! We will have final counts on donations next week.

**Spelling Bee:** Our in-class spelling bee will be held on Thursday and Friday, December 14th and 15th. Students will take the written test on Thursday and those who qualify will participate in our oral spelling bee on Friday.

**Backpack Buddies:** Thank you to everyone who donated! Our pantry is currently full so we will not be collecting food until we need it again. Thank You SOOOOOO much for helping out our school!

**Data Binders and Interims:** Please remember that interim reports went home today along with Data Binders. Please review and return to school next week.

December 1—Interim Reports go home  
December 14 and 15—Class Spelling Bee.  
December 21— Early Release/ Track Out

Don't forget to wear your tennis shoes on PE days!

## ⇒**Math:**

In math this week, students have continued to explore multiplication and division. They have learned how to use multiplication properties can help us break down difficult problems.

\*Speaking of math, ask your student about their progress in Xtra Math

## ⇒**Literacy :**

In literacy this week, the students have continued to become experts in all things 'frog'. The students have been working to write focus statements that answer a research question and to use explicit details from the text to support their answer.

## ⇒**Science:**

The students have continued to explore the human body with Miss Dunbar. They focused on joints and bones and began to discuss how muscles work.
