Old Salem Field Trip: Tracks 2 and 4 will travel to Old Salem on March 14. Parents are strongly encouraged to pay for the field trip [online](#), or payment can be made by check or cash.

Field Trip Chaperones: All parents who have registered as volunteers in the SCES office are invited to attend as chaperones. Additional information will be available in March.

A note from Mrs. Wright: Innovation Expo registration is now open. Please visit scienceatsycamore.weebly.com to register today! The deadline to register is January 31st.

A note from student council: For Valentine's day we are collecting homemade cards from students to take to people who could use extra love. We are collecting cards for children in orphanages and foster care. You can make cards between now and February 9th. We want these cards to have positive effects on others so please use encouraging words.

Valentine's Day: Please ask your child about what their class is doing for Valentine's Day.

February 6-13—Book Fair

February 10—Innovation Expo

February 13—Guest Speaker from NASA

February 20—Tracks 3 & 4 Club Pictures

⇒**Math:**

⇒In math this week, students concluded their unit focusing specifically on multi-step work problems. Next week we will study graphing and begin learning about area and perimeter.

⇒**Literacy :**

Students are continuing our unit of study by reading Peter Pan. Students are working to recount the most important parts of a story and to identify character traits based on evidence in the text.

Talk to your student about their favorite VIPs

⇒**Science:**

Students are exploring patterns in the sky involving the sun, moon, and shadows.
