June 1 2018

## Important News:

**Spring Portraits**– If you have not returned this, please return pictures, payment or a note verifying your online payment ASAP. When students do this, they will get their yearbooks.

**Yearbooks**– Return payment or yearbook to school by June 15.

**Backpack Buddies:** We are looking for donations for our backpack buddies. Due to the EOY trackouts, we will be sending home food for the next few weeks to most of our buddies.

Please use the link to sign up.

**Crayola ColorCycle** – an amazing new program devised to turn used markers into energy!

As a school we will be collecting used markers that are ready to be discarded. The markers will be sent to a facility where they will be converted into clean fuel.

Please help support our efforts by saving any used markers --even non-Crayola brands, dry-erase, sharpies, highlighters, etc. Markers can be taken to art class or dropped off in the drop-off box outside room 105.

**Color Games**– Today we kicked off our class “Color Games.” To help us practice strong work habits, collaborate, and review skills for the EOG, students will be earning points for their color team. Thank you for supporting your student in maintaining enthusiasm for their learning and work habits!

*Will you be the first 3rd grader to turn in the kindness challenge?*

⇒**Math:**

⇒Students have been learning about metrics units of measuring capacity and mass and using those measurements to solve one-step story problems. Next week we will read and create line plots to share data.

⇒**Literacy :**

⇒Students are planning their own Public Service Announcements about global water issues. Ask your child what issue they are sharing.

⇒**Science and Social Studies:**

This quarter, all students are rotating with Miss Dunbar to learn about Civics and Government, Mrs. Kodweis to learn about History and Culture, and Ms. Coffey to learn about Plants and Soils. \*ask your students about the letters they are writing to Ms. Brunson.
