EOG Testing– EOGs are Monday and Tuesday of next week. You can help your child by being sure they get plenty of sleep both Saturday and Sunday nights, encouraging them to stay focused next week on giving their best effort, and trying to get to school by 8:15 both Monday and Tuesday.

Backpack Buddies: We are looking for donations for our backpack buddies. Due to the EOY trackouts, we will be sending home food for the next few weeks to most of our buddies. Please use the link to sign up. <https://www.signupgenius.com/go/508084caea822a2f94-june>

Crayola ColorCycle – an amazing new program devised to turn used markers into energy!

As a school we will be collecting used markers that are ready to be discarded. The markers will be sent to a facility where they will be converted into clean fuel. Please help support our efforts by saving any used markers --even non-Crayola brands, dry-erase, sharpies, highlighters, etc. Markers can be taken to art class or dropped off in the drop-off box outside room 105.

Color Games: We had a great week preparing for the EOGs. Thank you for supporting your student in maintaining enthusiasm for their learning and work habits! Their hard work is really paying off.
