**Crayola ColorCycle** – an amazing new program devised to turn used markers into energy!

As a school we will be collecting used markers that are ready to be discarded. The markers will be sent to a facility where they will be converted into clean fuel. Please help support our efforts by saving any used markers --even non-Crayola brands, dry-erase, sharpies, highlighters, etc. Markers can be taken to art class or dropped off in the drop-off box outside room 105.

**June 29– Trackout and Report Cards go home**  
**June 28– Meet the Teacher 4:30-5:30**
