2017

Important News:

Lunch Times:

Dunbar:

11:25-11:50

Coffey-Hanlin:

11:40-12:05

Chapman:

11:50-12:15

NC State Fair: You can use the SCES code to purchase advance tickets for the NC State Fair using the code 569

Field Trip: We will be going to IMAX at Marbles on Wednesday October 25th. The cost of this trip is \$11. We will be collecting money now until trackout. Please pay as soon as it is possible for your family. It is easiest for us if you pay online, [following this link](#). If you choose to not pay online, you may pay with cash (Exact amount only) or with a check made out to Sycamore Creek ES.

Croc Mile: We earned a PJ Day for this Monday! We will continue to collect donations for the Croc Mile! Thank you to all who were able to come out to run and/or cheer on your child. Special thanks to those who arranged and delivered our pizza lunch!

Backpack Buddies Volunteers: If you are able, please sign up to contribute to our backpack buddies program. This supports so many kids!

<http://www.signupgenius.com/go/508084caea822a2f94-back>

Track Out / Early Release: Reminder that report cards are no longer coming home on the day that students track out. Report Cards will come home the Friday when students track back in!

Boxtops: The SCES PTA is collecting Box Tops for Education again this year. This is a big fundraiser for us--we collect \$3000-4000 each year just from Box Tops. Be sure to save them and send in!

Important Dates:

September 29—Early Release & Track out
October 27th—Q1 Report Cards go home
October 31—Make-Up Picture Day

Don't forget to wear your tennis shoes on PE days!

Chapman:
Tuesday

Coffey-Hanlin:
No PE next week

⇒**Math:**

We continued our geometry unit this week. The students have learned many new academic terms to describe quadrilaterals. Ask your child to tell you all of the terms that describe a square (quadrilateral, parallelogram, rectangle, and rhombus). We will take the unit test next week.

⇒**Literacy :**

We continued our work with the Overcoming Learning Challenges near and far module this week. The students read *More Than Anything Else* by Marie Bradby and practiced reading fluency and finding the lesson, message or moral. They have selected two of their own learning challenges and will write a reading contract next week that describes how they will work to overcome their own challenges.

⇒**Social Studies:**

This week we continued to discuss geographic features of different places we have been reading about.

⇒**Science:**

In Ms. Chapman's class we are learning about states of matter and how they can change.
